School Committee Approves Dress Code Revisions

The Arlington School Committee had one of its busiest sessions of the year Tuesday night. Pictured at left, Arlington High school students present proposed revision of the "dress code." Student Council President Paul Mucci, center, goes over details with School Committee. At right, Chairman of the Peirce School Study Committee, Robert Lemos, left at table, listens to question from School Committee member during discussion relative to crowded conditions at the school.

May Register at P.M. Sessions

Election time is near at hand and the Registrars of Voters in Arlington will be at various locations throughout the community during the next few days so that those residents of the community who are eligible to vote, but who have not yet registered may do so.

The Town Clerk's office is open daily except Saturdays from 9 a.m. to 5 p.m. for registration, and there will be special night time registration sessions from 7:30 to 9 p.m. at several locations as listed in a legal advertisement which appears in this week's paper.

The last day to register is Saturday, Feb. 8. The Town Clerk's office will be open from noon to 10 p.m. for registration purposes on that day.

The Arlington School Committee before large crowds at the library of the Industrial Arts school Tuesday, approved revisions in the student dress code, took under advisement three proposals concerning the school housing situation and discussed a meeting held last week relative to the drug problem in Arlington.

Chief among the revisions approved by the School Committee in the dress code were that ties for boys will be optional during the first and last marking periods of the school year; sandals with either peds or stockings may be worn by high school girls during the same period, no thongs will be allowed.

For the boys, sideburns may be worn to the top of the ear lobe.

A number of students were present at the meeting with Paul Mucci, president of the student council as spokesman.

Previously members of the council and a sub-committee of the school committee discussed the proposed changes.

Meanwhile, the School Committee took under advisement requests from three committees for support of articles at Town Meeting in March.

The School Survey Committee will have an article in the Warrant asking for a long range study of the future of schools in Arlington.

The Peirce school committee and the Parmenter school committee will request in Town Meeting articles that committees be appointed seeking preliminary plans in connection with additions to those two schools.

In discussing the need for an overall study, Supt. of Schools Dr. Bert Roens stated, "This town has never spent enough money for a study."

He went on to state that now is the time to take an

overall view of what should be done in the town, not only in schools. He added that such a study should include all phases of the operation of the town. "We need a professional to do it," he concluded.

Meanwhile, it was explained that at a meeting of officials Jan. 8, Chairman of the Board of Selectmen John Bilfer appointed Town Manager Donald R. Marquis and Supt. of Schools Dr. Bert Roens to appoint a committee to "come up" with recommendations relative to the overall problem of drinking, drugs, and delinquency in general on a community wide basis.

Named to this committee which will meet Jan. 22 were: Director of Youth Services Arthur Johnson, Police Chief Ferdinand Lucarelli, Director of the Boys' Club George Faulkner, Assistant Supt. of Schools Lawrence Anderson, Chairman of the Board of

Selectman Joseph Greeley suggested the prohibiting of parking.

Selectman Kevin Feeley asked that the motion be amended seeking an alternate route, possibly along Mills st. and Summer st.

The matter was referred to Town Manager Donald R. Marquis.

Ask Wires Underground

Representative Eleanor M. Campobasso this week asked local residents to support her petition that would require the Telephone Company and the Edison Company to place lines for new service underground.

"The placing of high tension wires underground in new service areas would be a start that would eventually lead to

placing all wires underground. Underground wires would reduce outages and would cut down the hazardous conditions that prevail during ice storms and high winds. The elimination of overhead wires would add to highway beautification program."

"The power companies continually scream of the high cost of placing its wires underground, no doubt this is true, but it will be the customers who are going to pay, anyway."

"While three astronauts were circling the moon in a history making event, some of our Arlington residents were burning candles for light."

Not Time To Wait

It comes as no surprise that today's "younger generation"—the bane of every older generation since Adam and Eve—does not wait for things to happen.

This generation makes things happen. This is the year for the teens to go MOD for the March of Dimes.

During January, teen-age volunteers in Eastern Massachusetts are backing the annual fund-raising drive of the March of Dimes. Contributions help support more than 100 Birth Defects Centers financed by the voluntary health agency, two of which are located in Boston; The Salk Institute for Biological Studies in San Diego, Calif.; and numerous community service programs which emphasize the importance of prenatal care in safeguarding the health of mother and child.

For centuries, birth defects and their consequences have been accepted as tragedies which many could never hope to control. In 1958, however, The National Foundation—March of Dimes, decided that this kind of thinking had gone on too long. Fresh from its victory over polio, the voluntary health agency began a new crusade against the far greater problem of birth defects which strike 700 times a day in our country.

Already science has found ways to prevent certain defects and modern medicine can successfully treat many others. Today's youngsters can look forward to a time when most birth defects will be a thing of the past.

Teen-agers here are no different from those elsewhere in the country. They are becoming involved in the effort because it is characteristic of their generation to "do" rather than observe. They don't want to wait till tomorrow.

More Marriages Here

Search Is On

The search is on! The Arlington Boys' Club's committee to select a local citizen to receive their annual "Outstanding Service to Youth Award" is actively engaged at this time in corresponding with 75 community organizations and clubs requesting each to submit a candidate for this most worthy award.

In addition to Chairman, Arthur D. Saul, Jr., the committee consists of Russell Eckel, George Fusco, Mrs. Mary Pulsford, and Mrs. Thomas Walsh.

Recognizing that the town is blessed with many adults who devote much time, effort and enthusiasm, as volunteers in the interest of youth, it seems fitting that the community, (i.e. in this situation the Boys' Club) pay tribute, annually, to one of these dedicated people.

Past recipients include Mrs. Kenneth Spengler, 1965; Lloyd Crocker, 1966; Francis Donnelly, 1967; and Gerard Bartholomew, 1968, are symbolic of the quality of personality that the committee is seeking. Their contributions have benefitted thousands of youngsters over the past decade.

Deadline for receiving nominations is Feb. 7. The committee will then enter into their deliberations to determine this year's recipient. The person chosen will be honored at the annual meeting of the corporation, March 6.

THE Observer

The Warrant closes next Monday night and it may be a long one.

Last year the Town Meeting although fairly long in length had one of the shortest Warrants in recent years.

Last year's sessions were drawn out because of the lengthy discussion relative to the school budget among other things.

If this year's Warrant passes the 100 plus article mark, there might be several long Monday and Wednesday nights for local Town Meeting members.

Last Monday night's meeting of the Board of Selectmen was one of the longest for some time.

Much of the material was discussed in executive session with the Board of Assessors, Conservation Commission and the Finance Committee meeting with the Board behind closed doors.

Among the items discussed at the Monday night meeting was the reviewing of precinct lines throughout the community by the end of December of this year.

Selectmen of the town are charged with reviewing such lines every fifth year.

The 1965 census figures would be used and there could be several changes. Possibly more precincts in the Town—maybe as many as 25 could result in such a review.

If a number of lines are changed, it could have quite an effect throughout the town. More on this later.

Asks Return

Opens Office

Ralph L. LaValle, 29-Crosby st., chairman in Arlington for the 1969 March of Dimes campaign, asked today that those who have not already returned their mailers received from The National Foundation—March of Dimes to do so at their earliest convenience.

"Progress through research has done so much in recent years to uncover the causes of birth defects, yet so much more must be done, Mr. LaValle said.

"In our society today a quarter of a million newborn babies are denied their rightful heritage of sound health," he added.

The March of Dimes supports more than 100 Birth Defects Centers across the nation to help these infants. Throughout this network are outstanding medical teams who are treating and rehabilitating young victims of birth defects. Many other March of Dimes-supported scientists are carrying on research which, hopefully, one day will prevent these tragedies.

"Don't let the hour grow any later," Mr. LaValle appealed, "return your contribution to the March of Dimes in the next mail."

Dr. Michael Abedon and Dr. Lewis Klapper are opening their office for the practice of Orthodontics at 1365 Mass. ave., Arlington. Both Dr. Abedon and Dr. Klapper received their Orthodontic training at Boston University School of Graduate Dentistry.

Dr. Abedon graduated from Cornell University and Pennsylvania School of Dentistry. He served two years in the United States Public Health Service at Turtle Mountain Indian Reservation, North Dakota, and currently holds a commission as Lieutenant Commander.

Dr. Klapper attended the University of Connecticut and graduated Tufts University School of Dental Medicine. He earned a Master of Science degree in Dentistry while attending Boston University School of Graduate Dentistry. He served two years as a Captain in the United States Army Dental Corps in both the United States and Japan.

The choir will sing as part of the service of celebration and prayer at Calvary Methodist Church, 300 Mass. ave. In addition to singing at religious services, the Boys' Choir, under the direction of Theodore Marier, music director for the choir school, has recorded five albums and made numerous appearances in concert throughout the United States and abroad, including a concert in Rome. During the recent Christmas period the choir sang in Florida and in Boston with the Boston Symphony Orchestra.

Arlington Ties For Top Spot In G.B.I.

The Arlington High school hockey team finally moved into the top spot in the G.B.I. hockey loop, even though by means of a triple tie, beating previously undefeated Brookline 3-1 last week.

Kent Davison, Tony Lyons and Dave Brine scored the Arlington goals and Jack Heavy tallied the only marker for the losers.

As the result of this win Arlington, Brookline and Medford are tied for first place with identical 5-1 marks.

Arlington lost its opener to Medford 1-0 and has not been defeated since. The locals meet the Medford club again this Saturday in a battle of top-flight goaltenders. Bob Bertagna of Arlington has allowed but four goals, while Medford's Bob Henry has

stopped all but three shots fired at him this season.

The locals moved ahead at 1:03 of the opening period when Kent Davison converted a Tony Lyons pass from 30 feet out.

Davison and Co-Capt. Dave Brine picked up assists on a goal by Tony Lyons in the second period.

Brine added the final tally late in the same period with Johnny Lyons picking up an assist.

Kevin Carr scored three goals, one in each period as the undefeated Arlington High school Junior Varsity Hockey team blanked Rindge Tech 5-0 last week.

Ralph Abbruzzi opened the scoring for Arlington with a first period goal, Costa was credited with an assist.

Carr made the score 2-0 with his first of three with Ned Mahoney picking up the assist.

Carr made the count 3-0 in

the second stanza on a solo dash.

The same combination which accounted for the second goal made it 4-0 with Costa passing to Abbruzzi.

Midway through the final canto Carr scored his final tally with Ned Mahoney and Bob Quinlan picking up assists.

The locals play Browne and Nichols in a non-league game at the Cambridge rink, tomorrow and on Feb. 3, the locals meet Cambridge Latin.

AHS Hoopsters Lose 58-54

The Arlington High school basketball team lost another close contest Friday night when Watertown High defeated the locals by a 58-54 score.

The winners led 16-15 at the end of the quarter and 28-25 at halftime.

The third period proved the downfall for Arlington as the

winners jumped ahead in double figures.

Arlington rallied in the final stanza but fell four points short.

O'Leary paced the Arlington attack with 22 points; Bob Cuccio chipped in with 14.

Four Watertown players, Ryan, 18 pts.; Barrett, 11 pts. and Gleason and Byron with 10 each led the winners.

Fidelity House Notes

C.Y.O. Basketball

The Junior Jaguars lead the Woburn Deanery with an undefeated 3-0 record, while the Cadet Tigers sport a 2-1 record. The girls Junior team, the Royal Chargers, are winless in four games, but this young and scrappy team has shown promise of breaking into the win column.

Coach Tom Kelly reports that Nancy Kreuz, Carol Vincent and Joyce Sullivan have been his early season spark-plugs. The undefeated Jaguars' success has been due to a well balanced attack led by veterans Jerry Williams and Rick O'Brien.

The Cadet Tigers have been paced by Co-Captain Rich Crowley and Eddie Woods, along with Eddie O'Brien. Our best wishes to all three teams representing St. Agnes Fidelity House.

Fi-Ho Patrol

The semi-annual elections of the Fi-Ho Patrol were held last Friday evening at Fidelity House. Because of the high caliber of those nominated, the voting was very close. The results were as follows: Tom "Bones" Motherway, President; Rich Crowley, Vice-President; Ron Gasper, Treasurer; Dave Kenney, Asst. Treasurer; Marie Guan-

ch, Secretary; Eileen Smith, Asst. Secretary.

The Executive Board consists of Dennis Caputo, Eddie Woods, Eddie Lynch and Marty Collins.

Class Registration
Registration for the Informal Education Classes for the Second Semester is now underway. Dates for registration have been set for Jan. 15, 16 and 17. Anyone interested in cooking, sewing, knitting, plaster moulding, arts and crafts or puppetry, may register at Fidelity House.

There will also be a special class for boys in Junior Chefs, as well as the return of the ever popular Batman Club.

A special night Sewing Class for high school girls will also be formed.

The special tutoring classes for grammar school members will also return. All of these classes are offered strictly for Fidelity House members.

Drivers Education Course

Applications are being accepted for the second Drivers Education course now being set up at Fidelity House. To register one must become a member of Fidelity House. As soon as 25 applications have been received, a notice of the class opening date will be announced.

At The Boys' Club

The following report has been received from the Arlington Boys' Club.

Recognizing that the Boys' Club has just concluded a most gratifying year of service to 3,896 youth and others it would seem proper that we report, at this time, on the successful activities and programs conducted during the year.

In view of the great need to inform the public of the vast service of the Boys' Club, we will forego a lengthy report and provide a detailed review of the program for the future.

First and foremost, the Boys' Club serves boys, so with apology to the fairer sex we will begin with the boys' schedule.

Boys — Tuesdays, Thursdays and Fridays, 3 p.m. to 10 p.m.; Wednesdays, 1:30 p.m. to 9 p.m.; Saturdays, 10 a.m. to 5 p.m. In addition to the previous, the schedule is expanded considerably for special events and special groups. Recreation is a means to an end at the Boys' Club and every day guidance permeates throughout the entire program.

The diversified activities include a very complete aquatic program which focuses on instructional swim classes, recreational swimming and competitive swimming. An all-inclusive physical program, both indoor and outdoor, which enables a boy to participate regardless of his physical skill.

All major sports as well as body building, tumbling, endurance activities and organized games are contained in the Boys' Club physical fitness program. Sailing, canoeing and rowing for all qualified during the summer and fall months.

Drop-in activities, such as games rooms and lounges, are available to the boy at times that suit his own personal schedule.

Special events that involve the entire family and in keeping with many of the festive days throughout the year.

Group clubs that provide an excellent opportunity for the non-mixer. Special interest group clubs that afford the boy to meet with others who have the same interests.

Arts, crafts, ceramics, woodworking and printing that provide the boy with the opportunity to learn and develop a particular talent.

Competitive activities ranging from well-coached teams to essay contests to tournaments to road races are an important part but not overly emphasized at the Boys' Club for we believe in the individuals self improvement, development and achievement.

The facility is a most important ingredient in providing service, but of far greater value are the personalities directing and supervising the program. In this regard, the staff is sensitive to youth's need and interests and has the ability to give the direction boys so much need today.

Girls — Mondays, 2 p.m. to

7:30 p.m. All activities available to boys are, with some modification, available to girls. In that we are limited in terms of time that we may offer to girls, the program is strictly recreational oriented.

Women — Mondays, 8 p.m. to 9:30 p.m. or Tuesdays, 10 a.m. to 11:30 a.m. (Babysitting services are available on Tuesdays). Activities are formal (instruction) and informal and take place in the Olympic size swimming pool, the gymnasium and games room.

Men — Tuesdays and Thursdays from 8:30 p.m. to 10 p.m. Again the nature of the program is physical fitness and includes use of the gym, pool and games room.

Exceptional children — Saturdays, 8:45 to 10 a.m. An in-depth physical fitness program focusing on "learn to swim" and "fun with a purpose." This program is directed toward retarded and blind children.

In addition the Boys' Club facilities are utilized by many schools and organizations at times that do not conflict with usage by the membership. The GBARC "Day Activity Center," Bartlett, Dearborn and Gifford schools, are scheduled week days from 8:30 a.m. until the club opens to the membership. Further, many private groups rent the pool and or gym, games room on Saturday nights and Sundays.

The Board of Directors and the staff are proud of the fact that in excess of 150,000 youth and others were served, in one capacity or other, during 1968—averaging 80 program hours per week.

All youth and adults, eight years of age and older, are cordially invited to join Arlington's most all-inclusive club—the Boys' Club. Fees for all ages are reasonable and scholarships are available to youth.

In the Adult League, the Aces began defense of their 1968 crown with a 63-45 win over First Baptist. In the closest game of the night, St. James nipped K. of C. 48-43.

In other action, the BAC squad dumped the Arlington Jewelry by a 56-37 mark and New England Telephone handled the Shamrocks 59-37.

High school league action should be fast and furious this year with many teams displaying fine talent. First game results found the defending champs Boys' Club beating GOYA 53-28. The surprising Royals topped St. Camillus 33-25, with St. James beating the newly revised Legion squad 56-36. In the final game of the night BCA bombed the Bucks 67-20.

On Tuesday evening, the Royals topped GOYA 59-37 behind the scoring of David Allen (17), Ricky Kreuz (10) and Ron Curtin (9). Peter Orphanos topped GOYA with 16 followed by George Kallis with 14. In the closest game, Boys Club topped BCA 43-34 behind Bob Palonge (20), last year's leading scorer. Tom Brackett chipped in with 12. BCA was led by Jim Barrett 10 points. The Bucks lost a six point

half-time lead and eventually the ball game, as they bowed to the Legion 46-36. Teevan and Leveroni teamed for 22 points for the Legion, while Paul Driscoll (15) and Tony Freni (12) led the Bucks.

Friday's action was close with all teams showing marked improvement. The Royals remained unbeaten with a 47-37 win over BCA. David Allen pumped in 16 for the victors and Jim Barrett 18 for BCA. The Boys' Club also continued unbeaten with a 52-43 win over St. James. Tom Brackett (20) and Bob Palonge (16) led the Boys' Club, with Art Stratton and Rick Reardon top point producers for St. James. GOYA checked in with its first win of the season a convincing 17-29 victory over the Bucks. Peter Orphanos (21) and George Kallis led GOYA and Ron Moates outstanding for the Bucks. Colemans Spark ACHS

Senior John Coleman and his freshman brother Scott each had three goals Monday night as Coach John Carney's Arlington Catholic team beat Don Bosco in the opening round of the Catholic Tournament at McHugh Forum.

The first period was scoreless. At the 38 second mark of the second period John Coleman took a pass from younger brother Scott and beat the Don Bosco goalie for a score.

Minutes later the Coleman brothers combined for the second tally, John was credited with the goal, Scott with the assist.

Just before the period ended Scott Coleman banged home a Dennis Villandry rebound for the third goal of the period and the first goal of his hat trick.

It only took the Coleman combine 40 seconds to score a pair of tallies in the third period.

At 3:33 Scott had his second goal, brother John had the assist. John had the third goal of his hat trick and once more Scott had the assist.

Arlington Catholic had a 5-0 lead at this point and Art Zambroni put one in the net to make it 5-1. Scott Coleman then scored the sixth goal for A.C. with Dennis Villandry and John Coleman assisting. In the last minute Art Zambroni scored another Don Bosco goal.

Coach John Carney used every boy on his squad with several of the freshmen playing for the first time in tournament competition.

Next Monday night at 6 p.m. the Arlington Catholic team will meet St. Mary's of Lynn.

The Lynn team shut out Matignon 2-0, the team that held A.C. to a tie on Sunday afternoon.

Last year the Christopher Columbus team won the Catholic tourney but the team was eliminated in the opening round Monday night by Xavierian 4-1.

Phil McDougal, an outstanding defenseman for A.C.

was unable to play because of a knee injury sustained in Sunday's game and will be out for two weeks.

Larry Babine and Paul Callahan, the starting defenders, along with the Coleman brothers and Dennis Villandry were the stars in the opening round win.

Dennis Villandry's goal at the 33 second mark of the first period was A.C.'s only tally as Matignon held the Catholic Suburban league entry to a 1-1 tie Sunday afternoon at the Boston Arena. The Coleman brothers, John and Scott, had assists on the tally.

A partially screened shot midway in the second period accounted for the only score for the North Cambridge school.

John Quanci, the A.C. goalie, had a great day in the nets as he kept coming up with saves throughout the game. Xavier leads the league with a 6-0 record with the local team in second place with a record of 4-1-1.

Dion—Wonder Where I'm Bound

Dion's back on top again, as he follows his smash hit single of "Abraham, Martin and John" with a power-packed album. Its contents are eleven tunes written by the likes of Bob Dylan, Tom Paxton and Dion. Cuts of note are, "I Can't Help But Wonder Where I'm Bound" which is the title track, "A Sunday Kind of Love" shades of the old Dion, and two written by Dion, "Knowing I Won't Go Back There" and "Now." Side two has, "Southern Train" a bluesy sound, "Seventh Son," followed by another Dion composition, "Wake Up Baby" and the finale "Baby, Please Don't Go."

Blood, Sweat and Tears

Blood, Sweat and Tears with a musical wedding of rock and jazz, ten tracks worth. Your ears will throw a party for your head as you listen to cuts as, "Smiling Phases," "Sometimes in Winter," "And When I Die" and complete side one with "God Bless the Child." More of BS&T on two with, "Spinning Wheel," "You've Made Me So Very Happy," eleven-minutes plus of "Blues Part II," fading out to the sounds of "Variation on a Theme by Erik Satie." Blood Sweat and Tears results in great listening.

John Kay and The Sparrow

Definitely a collector's item is this album featuring John Kay currently with the popular group Steppenwolf, recorded when he began with a group called The Sparrow. The twelve selections have a strong theme, "Twisted," "Baby, Please Don't Go," "Bright Lights, Big City" and "Can't Make Love By Yourself." Side two mind-benders are, "Kingspin," "Square-headed People," the ballad sound of "Chasin' Shadows" and fly away with "Isn't It Strange." The Sparrow died and was re-born Steppenwolf.

Orson Bean—

I Ate the Baloney

Thirteen very funny tracks by a funny man, Orson Bean. Pay special attention to cuts, "In Which I Switch," "The Ballad of George Fink," "New England Heritage," "The Ostrich Affair" and "I Ate the Baloney." The comedy continues on two with, "The Parrot," "A Natural Mistake," "The Brill Building," "The American Restaurant" and "El Capitan." A funny album and that's no baloney.

VANGUARD

Joan Baez—Any Day Now
A fine two-record LP by Joan, that contains sixteen songs written by Bob Dylan. Baez and Dylan go together like bread and butter, providing enjoyable cuts as, "North Country Blues," "You Ain't Goin' Nowhere," "Drifter's Escape," "Tears of Rage" and the lengthy ballad of, "Saded Lady of the Lowlands." Record two has messages as, "Love is Just a Four-Letter Word," "The Walls of Redwing," "One Too Many Mornings," "I Shall Be Released," "Boots of Spanish Leather" and "Restless Farewell." Bob's ballads done beautifully by Baez.

RCA VICTOR

Four Jacks and a Jill—

Fables

A fine group that can put across their message in a song with fantastic ease. Proof is in their new eleven-track LP that includes cuts as, "Hey Mister," "Mama Come Home," "Three Little Bears" and "Butchers and Bakers." Flip side fables are, "Huckleberry Ferry Land," "Sad Little Pidgeon," "Freckle Face," "Bread and Butter" and a good job on "Pata Pata." Four Jacks and a Jill saying something, and that's no fairy tale.

The Best of Floyd Cramer—

Vol. 2

A dozen big hits performed by Floyd in his distinctive sound and style. Thrill to songs as, "By the Time I Got to Phoenix," "Try to Remember," "Born Free," "Gentle on My Mind" and "Dear Heart." More of Cramer's best on two with, "Alfie," "Yesterday," "Cherish," "The Shadow of Your Smile" and "Portrait of My Love." This great artist will dazzle you with his mastery and creativeness at the piano.

SCEPTER

Condello: Phase I
Micheal Condello produced this LP bearing his name, wrote, along with Roy Trainer all the selections included, and while playing various instruments also handles the job of lead vocalist. Among the

eleven cuts are sounds as, "Crystal Clear," "Oh No," "Charming Sitter" and "Keep It Inside." Side two turn-ons are, "The Other Side of You," "See What Tomorrow Brings," "He'll Keep Waiting" and end with, "It Doesn't Matter." Great new and exciting sounds, compliments of Condello.

AMARET

Mrs. Miller Does Her Thing
Mrs. Miller lets it all hang out on her new album of eleven cuts featuring her doing her thing. Her things include, "Up, Up and Away," "Anything Goes," "Green Tambourine" and "Tiptoe Through the Tulips." There's still more on the flip side as, "Green Thumb," "I Sleep Easier Now," "Mary Jane" and her final thing "Granny Bopper." Dig as Mrs. Miller does her thing, you'll wish everyone did.

Horace Homer, 48, Florence Ave., has announced his candidacy for re-election to the five-man Board of Selectmen in Arlington.

Homer, born in Arlington 52 years ago, is the son of the late Roger W. and Jane B. Homer. A lifelong resident of the town, he attended local schools and M. I. T. He is a registered professional engineer, employed as a Research Supervisor at the Sylvania Research Center in Danvers. He is well known professionally as the author of numerous technical papers and the holder of over 20 patents on fluorescent and electroluminescent lighting.

Mr. Homer served for over four years during World War II and holds the rank of Lieutenant-Colonel in the Army's active reserve.

He has been active in Arlington civic affairs for many years. A town meeting member since 1952, Homer has served as a chairman of the original Dallin School building committee which committee by careful planning established the enviable record of constructing a school at a cost thousands of dollars less than the amount appropriated by Town Meeting.

His name is well known in Boy Scout circles, an organization he has served faithfully for over 40 years and from whom he has received one of Scoutings highest honors—the Silver Beaver Award.

In announcing his candidacy Mr. Homer expressed the hope that every eligible voter would exercise his right and duty to vote in the coming Town elections on Saturday, March 1. "I want especially to remind our young adults," he said, "that if they are eligible but not currently registered to vote, they can drop in at Town Hall at any time during regular hours and have their names placed on the voter rolls."

Selectmen Monday night approved a change in grade of Boulevard rd. and Lafayette st. and also approved the order of laying out of Boulevard rd. and of Lafayette st. from Boulevard to Herbert rd.

Host to "Missions in Focus"

St. Agnes Parish, Arlington, is host this week to "Missions in Focus", the mission awareness program of the Archdiocese of Boston.

At all liturgical services, Jan. 19, and in all school and Doctrine classes throughout the following week, representatives of the program will present the message of Vatican II concerning the missions, so that all people of St. Agnes will be fully aware of the possibilities open to them in sharing their responsibility for presenting the Christian message to the world.

Helping to activate this program will be missionaries who have returned from many parts of the world, and have volunteered their services. Priests from missionary societies include: Rev. Francis Anderson, S.J. (Near East); Rev. Paul Chaisson, S.M.; Rev. Roger Bourgea, S.M., No. Solomon Islands; Rev. Daniel Driscoll, S.V.D., New Guinea; Rev. Edward Killackey, M.M., Tanzania; Rev. Leonard Lalvalle, S.C.S., Korea; Rev. Maurice O'Shea, St. Jas. Soc., Bolivia; Rev. Simon Lindgren, O.C.D.

Sisters visiting the parish as panel speakers, also represent many services offered in various areas: Sister Cathleen Murphy, S.S.C., Philippines; Sr. Ann Elise, M.M. and Sr. Miriam Aloysius, M.M., Guatemala; Sr. Cosmas, O.S.F., Kenya; Sr. M. John Cantius, S.M.S.M., Oceania; Sr. Ann Regis, M.M.M., Nigeria-Biafra.

A parish alert to the changing times, St. Agnes has contributed many members to the various mission activities of

Christian witness. Among them are: three Maryknoll missionaries: Fr. Joseph Mooney and Father Paul Delaney, in Japan; and Father John P. Casey in Tanzania. Sister Helen Edward and Sr. Marie Michele, C.S.J., Peru; Sr. Anne Marie Mooney, Columbia; Sr. Patricia Burke, S.M.S.M., Oceania; and Sr. M. Denise Donovan, M.M.M., Ethiopia.

Part of the program for the week includes cooperation with the Week of Prayer for Christian Unity, as this Ecumenical service is planned at St. Agnes, Jan. 20.

Rev. Edward Killackey, M.M., will offer the homily; Rev. Dr. Stuart Haskins of the United Church of Christ,

and Rev. Halsey I. Andrews of the Episcopal Church will offer readings at this service.

One of the desires of lay people regarding mission personnel is a more direct and informal contact. In order to provide this the program invites all parishioners to meet the Priests and Sisters after each Mass in Fidelity House. They are also urged to invite the visiting missionaries to their homes for coffee or breakfast. Further contact is developed in home meetings with family and friends scheduled throughout the week.

Two such meetings have been arranged, and others may be scheduled at any time if the sponsoring family will contact their parish priests.

Jazz Festival

Artists who will perform at the fourth annual Boston Globe Jazz Festival to be held at Boston's War Memorial Auditorium, Jan. 31 and Feb. 1: shown above left to right from the top—Gerry Mulligan, Sun Ra, Gene DiStasio, Barney Kessel, Red Norvo, B. B. King, George Wein, Ruby Braff, Dave Brubeck, Roland Kirk, Hugh Masekela, Nina Simone.

It was Plato who said, "Necessity is the mother of invention," but it was Frank Zappa, 2000 years later, who mothered an invention that vibrated the strings of the music world. His "Mothers of Invention," a collage of instruments, electronics and voices, will be one of the high notes of the big fourth annual Boston Globe Jazz Festival.

Produced by George Wein, of New Port Jazz Festival fame, and sponsored by the Globe, this mid-winter mixed bag is scheduled for Boston's spacious War Memorial Auditorium, Jan. 31 and Feb. 1.

Zappa is a master composer, arranger and satirist, and each of the many-faceted Mothers plays several instruments. Their music is a conglomerate of humor, satire and the grotesque, punctuated by some of the best musicianship in America today. The group is familiar with contemporary classical music, combining it with a rock-bottom beat and building it into an electronic jazz band sound that creates a living theatre of music.

Appearing in addition to the Mothers of Invention on the 8 p.m. Friday program will be the new Dave Brubeck Quartet featuring Gerry Mulligan, multi-reed man Roland Kirk, and George Wein's Newport All-Stars, featuring Red Norvo, Barney Kessel and Ruby Braff. Saturday's 8 p.m. concert features trumpeter Hugh Masekela, vocalist Nina Simone, blues guitarist B. B. King, and Sun Ra and his 15-piece "Solar Orchestra." Mulligan will also star in the popular "Jazz for Youth" matinee at 2 p.m. on Saturday, as will the Newport All-Stars and Gene DiStasio's Brass Menagerie.

As in previous years, the proceeds will be donated by the Boston Globe to set up scholarships for deserving students.

About Enlistment

Richard L. Michaud, BM1, USN, the local Navy recruiter, announced that High School Seniors may enlist in the Navy as early as March and report for active duty after graduation.

Under the 120 Day Delay Program, the Navy has been authorized to enlist qualified young men and give them up to 120 days to report for active duty.

Young men enlisting in this program gain several advantages. The delay time prior to reporting to active duty counts toward completion of military obligation, builds longevity for pay purposes, and affords four months' seniority prior to entering recruit training. No attendance at drills or meetings is required during the waiting period.

Anyone desiring further information on this program, or any other programs offered by the Navy, is invited to drop by and see the local Navy Recruiter at the City Hall on Salem st., in Medford or call him for an appointment at 395-6066.

Know The Facts

Beginning in January, an older person who goes to the Hospital under Medicare will be responsible for the first \$4.00 of his hospital bill (now running about \$600.00 for the average hospital stay by a Medicare beneficiary), John E. Lonegran, Jr., manager of the Social Security District Office in Cambridge, said.

The \$4.00 increase (from the present \$40.00 deductible) results from a provision in the law requiring an annual review of the deductible amount. The first such review the law provided was to be made in 1968. The law specifies that if this annual review shows that hospital costs have changed significantly, the hospital deductible amount must be adjusted for the following year. Necessary increases in the deductible amount are to be made in \$4.00 steps to avoid small annual changes.

Following the formula in the law, and figuring the ratio of inpatient hospital costs under Medicare in 1966 with those in 1967, the deductible amount for 1969 worked out to \$45.38. Rounded to the nearest multiple of \$4.00, this will make the deductible \$44.00 for 1969. The results of the annual review of the inpatient hospital deductible also apply to the dollar amounts a Medicare beneficiary pays toward a hospital stay of more than 60 days, or

a posthospital extended care stay of more than 20 days. These amounts, therefore, will also increase by 10 percent, effective January 1, 1969—to \$11.00 a day for the 61st through the 90th day of a hospital stay; to \$5.50 for a stay in a posthospital extended care facility; and to \$22.00 a day for each day of the "Lifetime Reserve" of 60 days, the reserve account a beneficiary can draw upon if he ever needs more than 90 days of hospital care in the same benefit period.

The changes in these amounts apply only to the hospital insurance part of Medicare and do not affect the financing of the supplementary medical insurance (the voluntary program which covers doctor bills and a wide variety of other medical services).

For more information, get in touch with the Cambridge Social Security District office at 625 Mount Auburn st. (telephone 491-0700). The Cambridge office is open daily from 9 a.m. to 5 p.m. and Wednesday evenings until 8 p.m.

Light, But "Out of Sight"

THE COOLEST KIND of refreshments to serve at a party for the young at heart are light, but delectable, "out of sight," as hip guests might say. Pepsi-Cola home economists suggest this "Mystery Punch" to keep you in the scene, since it is made with a peppy diet drink and fruit juices. The dip is easy-do and low-calorie, too.

MYSTERY PUNCH

1 can (46 oz.) unsweetened apple juice, chilled
1 teaspoon whole cloves
2 bottles (10 oz. each) Diet Pepsi-Cola
Orange Ice Cubes

In small saucepan heat 2 cups apple juice and cloves to boiling point. Reduce heat and simmer 5 minutes. Strain out cloves. Chill juice. In punch bowl blend spiced juice with remaining apple juice and Diet Pepsi-Cola. Add Orange Ice Cubes and serve. Makes 16 portions.

ORANGE ICE CUBES

1 1/2 cups unsweetened orange juice
1 1/2 cups cold water
16 tiny orange triangles

Mix juice and water. Pour into ice cube tray with triangles. Freeze until almost firm. Set orange triangle in each and freeze firm.

DELICIA DIP

1 cup (8 oz.) skim milk cottage cheese
1/4 cup plain yogurt
1/4 teaspoon onion salt
1/4 teaspoon white pepper
1 tablespoon red caviar

Mix well first four ingredients. Stir in caviar and chill. Serve as dip for celery, raw mushrooms, etc. Makes 1 1/4 cups.
